2006
GODSEND
CABERNET SAUVIGNON

n. Something sent by good; a piece of good fortune

The Leal Vineyards Godsend is made from select lots of the 2006 Estate Cabernet Sauvignon. Hand selected, only the “crème de la crème” of Cabernet grapes were used in creating this wine. Each selected lot received extended barrel aging of eighteen months in French Oak and an additional six months in new medium toasted American Oak barrels. This additional aging gives the wine added complexity and depth; classic Cabernet aromas of rich currant, cassis and soft spiced oak. Mouth filling and rich, Godsend stands for an elegant, balanced, well structured wine with a long rounded finish. This limited production is intended to be enjoyed with the best of friends and family in the celebration of god’s gift to us.
